

HOW WE WORK

We always channel our thought process in one direction and then let it grow further in all possibilities, and that channel is our **CORE SOCIAL VALUES**. We strongly believe that all human successes and failures originate from these core social values.

01

Service

Serve people in need and work to address social problems.

02

Social justice

Challenge social injustice and work for social change on behalf of vulnerable and oppressed people.

03

Dignity and worth of the person

Be respectful of every person and mindful of cultural and ethnic diversity.

04

Importance of human relationships

Recognize and value the importance of human relationships, and work to strengthen these relationships in order to enhance the well-being of individuals and communities.

05

Integrity

Be trustworthy and uphold the edification mission, values, ethical principles and ethical standards.

06

Competence

Practice within areas of competence, continuously develop educational knowledge and expertise, and contribute to the knowledge of the under-privileged.
